Monthly meeting of the ESD #2 called to order at 6:00 PM with all 5 Commissioners in attendance. Joe Boyd, Fire Chief for Pct 2 VFD was present too. At start of meeting, Simon Van Dyk with Touchstone Svc called in to have discussion with agenda items pertaining to him. He was not able to attend in person. Simon's email presentation was put on larger computer screen. His update reiterated some of what he mentioned in July. He suggested taking list of registered voters and get those that are consistent voters. There is approximately 3,400ish voters in our pct. With an estimated 2,000 – 2,500 consistent voters. ESD asked about the pricing for the educational flyers he's suggested we use. Price includes set up, printing, and postage (all in)

Post Cards \$.78 each Approx. \$2,600

Mailer (3 fold) \$1.10 each Approx. \$3,700

They will be mailed to "roof tops" on map since most houses have more than one voter. He will have the rough draft to Justin, Joe, and Dan by the end of the week.

Another suggestion is that member of the VFD or Friends could distribute a digital mail out. Also, a short 20-30 sec video with training pictures, etc would run about \$1,500-\$2,000.

Time Frame: For sending us a drop dead date will be end of August. Early voting has been extended 3 weeks.

Dan discussed our website with Simon and he suggested adding a link to the election page on it. Suggested 4 tabs, with one for election. Simon signed off at 6:40 PM.
